

Visualize. Innovate. Integrate.

# Reimagine the Way You Program with IDL for VSCode

April 2024

Chris Torrence and Zach Norman

N|V|5

# Before we Begin...

The webinar is being recorded

- Slides & recording will be available within a few business days

Questions?

- Use the Questions box to ask them

# Today's Presenters

## Chris Torrence

IDL Lead Software Engineer  
Chris.torrence@nv5.com

## Zach Norman

Product Manager  
zachary.norman@nv5.com

# Today's Webinar!

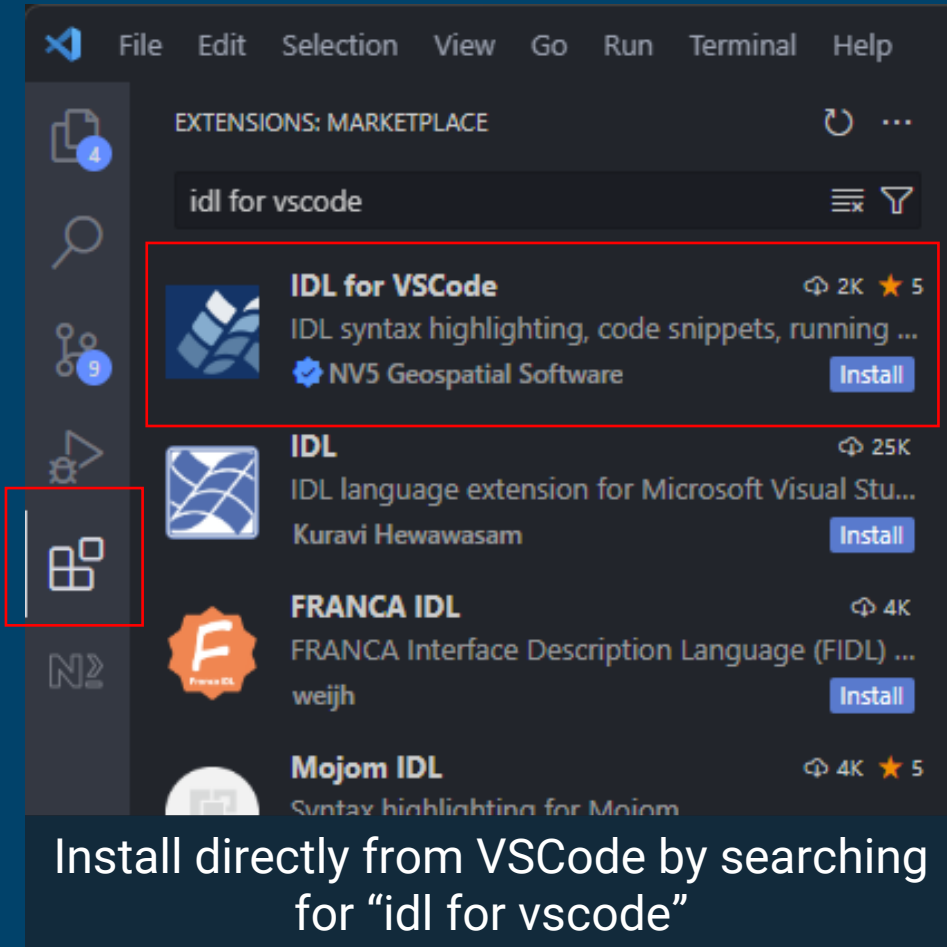

N|V|5

- This webinar is going to be a little different than usual
- Rather than walk through slides, we are going to be showing IDL for VSCode live
- We want this to be more interactive, so feel free to ask questions as we go and we will do our best to answer

# Rough Agenda

- Installation
- Differences with the IDL Workbench
- Settings and Configuration
- How to start/run IDL in VSCode
- IDL Notebooks
- Questions and Discussion

# Getting Started

- Pro tips:
  - Keep an eye out for extension and VSCode updates

# Questions and Discussion
